RE: Planned Power, Audio-Visual, and Network Outages

Dear Campus Community,

On January 6th, 7th, and 8th, there will be planned electrical outages for campus buildings to support critical infrastructure maintenance.

If your facility is impacted, per below, it is highly recommended that you connect sensitive electronic equipment to a surge protector or disconnect equipment during these times.

January 6th, 7:00 am – 7:00 pm

Health & Athletics Aquatic Center	2020 Research Server
Scholars Lot & Bellevue Lot	Conference Center
Bobcat Field	Sentinel Rock
Biomedical Science & Physics	El Portal
Sustainability & Research Engineering	Granite Pass
Fred & Mitzie Ruiz Administration Building	Hazmat Building
Dining Pavilion	Wallace Dutra Amphitheater
Bellevue Loading Dock	Trailer Town
AOB Trailers	

**NOTE: Buildings indicated in blue will see very short electrical outages when power is transferred to a secondary source.*

**NOTE: Buildings indicated in red will see a full 2-hour utility shutdown during the electrical testing.*

January 7th, 7:00 am – 7:00 pm

Student Services Building	Social Sciences & Management
Stanislaus Hall	Pump House
Kern Hall	Early Childhood Educational Development
Kings Hall	Gallo Rec & Wellness

Merced Hall	Tulare Hall
Madera Hall	Scholars Lane Lighting

**NOTE: Buildings indicated in red will see a full 2-hour utility shutdown during the electrical testing.*

January 8th, 7:00 am – 3:00 pm

Facilities Building A & B	Classroom Office Building 2
---------------------------	-----------------------------

**NOTE: Buildings indicated in red will see a full 2-hour utility shutdown during the electrical testing.*

Planned Audio Visual and Network System Outage:

In support of Facilities Management, Office of Information Technology staff will take the audio-visual systems and networks offline at the buildings identified above to prevent any damage to electronics.

Audio-visual systems (AV) will be taken offline during the power outages. AV will be available directly following power restoration but will not be tested and confirmed until January 10, 2025. Availability may, in some cases, be dependent upon network availability.

Networks will be taken offline during the power outages, following the dates and timeframes above.

Facilities management staff will monitor building systems on-site during the work.

If you have any questions, concerns, or require service, please contact Facilities Management. We thank you for your continued patience and understanding.
